#### ST. JOSEPH'S CELEBRATES CATHOLIC SCHOOLS WEEK

Happy Catholic Schools Week, Everybody! Our school has been busy this week celebrating our Catholic Faith and being part of the St. Joseph's Family.

Foundational to our celebration was prayer. This week our Grade Two classes hosted a Liturgy of the Word, which was livestreamed on the St. Joseph's Parish Youtube Channel. Following the liturgy, the Spirit Group presented a dramatic dance performance to *Still Her Little Child* which focused on the relationship between Mary and Jesus. Thank you, Grade Twos, the Spirit Group, and thank you Miss Johnson and Mrs. Owton!

Also, foundational was a prayer project initiated by the Intermediate teachers. Throughout the week, students from each grade led the school in morning prayer over the intercom. Even the French program had a day and led us in *Je vous salue Marie* (Hail Mary). *Formidable, mes amis!*

Other activities various classrooms participated in included: making many visual displays for our touring parents, creating faith shields, a literature focus on Catholic themes, stories of the saints (especially St. Vincent), a saints and biblical figures dress-up day, and a travelling Readers' Theatre production of *Fruits of the Spirit*. We also had some outreach activities writing cards for those who are sick, and making Valentines for lonely seniors. Such a rich variety of ways to celebrate! Thank you, teachers for your excellent ideas and the way you led our students to participate in them!

Unfortunately, because of COVID pandemic restrictions, we were not able to open the school to visitors. However, thanks to our Administrative Team (Mr. Card, Mrs. Bella, Mrs. Sullivan, Mrs. Bird-Boru, Mrs. Lee and myself) were able to provide new applicants with a tour of the classrooms and information about the school and Childcare programs.

We promoted participation with the parent support group and their ability to fund special projects for our students (such as the Childcare Garden) and the opportunity to make lasting friendships with other parents in the school. We know you will welcome these parents and join with them for many upcoming projects once the pandemic restrictions are lifted.

The tours highlighted our Catholic tradition, the Kindergarten program, the primary and intermediate departments, our Learning Support Services, our athletic, choir, band and dance programs, the professionalism of our staff and the strength of our academic record. What a lot we have to be proud of and grateful for! Thank you everybody for your involvement!

Many thanks,  
Keefer Pollard, Principal  
St. Joseph's Elementary School

February 1, 2022

Dear Island Catholic School families,

**RE: Tuition rates for 2022-2023**

Warm greetings to all of you; I pray you are staying safe and healthy.

It is the time of year where the School Board and Administration start planning for the next school year. That planning includes the budgetary process, of which tuition review and rates is a major component.

It is believed that a modest increase to tuition rates on an annual basis is more manageable than larger infrequent increases. Along with affordability, other key factors that must be considered are:

1. Managing inflationary pressures
2. Paying teachers and other staff fairly
3. Recruitment and retaining staff
4. Continuing to provide quality education
5. Ensuring financial sustainability

For the 2022-2023 school year, tuition rates will be increased by approximately 3%. There is more variability on the percentage increase for family rates as we continue to adjust tuition for the third-child rate, that was introduced system wide in 2020-2021.

Please direct any immediate questions to your school principal or myself.

Together in hope,

Katja Groves  
Superintendent of Catholic Independent Schools  
Diocese of Victoria

### **2022/2023 Re-Registration and Tuition Fees**

Each year in early February, schools begin budget and staffing preparation for the upcoming school year. Integral to the process is the re-registration of existing students. Before admitting new students, all existing students are given priority to re-register. The **deadline for re-registration is February 18<sup>th</sup>, 2022**. Until that date there is no fee to re-register and placement can be secured for the 2022/2023 school year. Parents re-registering their children after February 18<sup>th</sup> are subject to a \$50.00 application fee and their acceptance cannot be guaranteed.

#### **Family Payment Schedule Information**

Family Payment Schedules will be available for signature after **April 4<sup>th</sup>, 2022**. These **must** be signed by **April 30<sup>th</sup>, 2022**. Families who have not returned a signed Family Payment Schedule will be removed from school enrolment and considered **not registered**. Families requesting Financial Assistance will receive their form at the end of April and must return it by May 1<sup>st</sup>, 2022.

### **PRACTICING CATHOLIC TUITION APPLICATION**

#### **TUITION INFORMATION**

##### **Reason for Tuition Fees**

The Catholic Independent Schools of the Diocese of Victoria (Island Catholic Schools) is recognized by the Ministry of Education as a Group I Independent School. This means that we are able to have the maximum funding available to an Independent School (50% of the per student operating costs of the local public-school district). These are partial operating costs only and do not cover costs for capital expenditures such as: buildings, computers, desks, etc. Therefore, tuition fees, donations and fundraising are required to provide adequate resources for the operational budget of the school.

##### **Reason for a "Practicing Catholic" Tuition Rate**

Island Catholic Schools accepts practicing Catholic, non-practicing Catholic and non-Catholic students. Both Catholic and non-Catholic families pay tuition and indirectly support the school through government grants (we all pay taxes!). Catholic parishes in the Diocese of Victoria provide funding for schools in a variety of ways. Parishes initially provided the capital outlay to build the schools and now assist with funding for major capital expenditures. Practicing Catholic families participate in the parishes financial support of the schools. Because of this, a two-tiered tuition rate has been set which reflects that those families already supporting the school financially through their own parish should enjoy some benefit from a lower tuition rate. Stated the other way, a family who is not active in a Catholic Church which financially supports our schools, should, in fairness, play an equally supportive role in the area of school finances by paying a higher tuition.

There is a reason, therefore, for having a Catholic family vouch that they are active in a parish that supports Island Catholic Schools in the Diocese of Victoria. This attempts to uphold the integrity of the policy of a two-tiered tuition rate.

Parishioners of the Catholic parishes in the Diocese of Victoria financially support Catholic schools to a total annual amount of approximately \$190,000 through weekly collections and through the Annual Appeal. It would be unfair to expect the parishes to subsidize families who are not in turn sharing in the financial responsibilities of the parish.

If a non-practicing Catholic family or non-Catholic family pays a higher tuition rate it must be because the practicing Catholic families are actually supporting the school through their own contribution in the Sunday collection on a regular committed basis. Otherwise, it would be blatantly discriminatory to charge people different tuition rates simply on the basis of religious practice.

### **PRACTICING CATHOLIC TUITION RATE CRITERIA**

A qualifying Practicing Catholic for tuition rate purposes is defined as a family that is actively involved in a parish affiliated with the Diocese of Victoria. The Practicing Catholic family shares its Time, Talent, and/or Treasure with their parish. Ultimately, attending Mass weekly is key.

- Time:** Time is a gift from God... The questions for us are: how will we use that gift and will we use it to build up our community? The most basic way is returning to God a portion of that gift by responding to the Catholic guideline that we make every effort to join our community in prayer at a weekend Mass. Time can also be shared by attending parish functions or helping in the many chores and simple tasks that make up Parish life.
- Talent:** There is a whole array of special tasks in a Parish that need people with a special interest in doing them. They can range from taking on a special role at Mass, to visiting a sick person, to serving in various leadership roles, or simply offering one's expertise when there is a special project. An organizational chart of the Parish is available which depicts all these different areas and the people responsible for them.
- Treasure:** One of the guidelines given us by the Church is that we accept responsibility for the financial support of our local Parish. This can be done by using the parish donation envelope, pre-authorized debit, and contributing to the best of one's ability. To what extent a family can do this will vary with individual circumstances.

#### **How to request the Practicing Catholic Tuition Rate:**

Each year, during re-registration, Practicing Catholic Tuition Rate Requests are completed by each family in order to receive the discount.

Parishes will be sent a list of participant families and contact information, and the Pastor/Parish may set up a meeting to discuss active involvement.

If you are new to our Diocese, please include your previous parish information and the parish where you intend to register.

**In requesting the subsidized Practicing Catholic Tuition rate, you are affirming the practice of your faith, as identified above.**
