PRINCIPAL MESSAGE

A GRATEFUL PRINCIPAL SEES HOPEFUL FUTURE FOR ST. JOSEPH'S!

As we come to the close of the year, I have taken the time to sit back and reflect on the past and future of St. Joseph's.

I would like to thank the St. Joseph's Community for the last three years of my career, leading up to my retirement (or as I say, graduation).

For the last three years, every day I have come to work:

- Fulfilling a vocation, rather than a mere job
- Working with a sense of mission and meaning
- Partnering with wonderful and gifted colleagues
- Observing passionate and talented leaders and learning from them
- Laughing and joking and having a bright outlook on life
- Meeting loving and supportive families
- And finally, having the privilege to work with children, receive hugs and valentines, wear costumes and sports jerseys and to sing, sing, sing.

Thank you, St. Joseph's. You have a wonderful school, a wonderful community, a dedicated and passionate staff, a supportive church community undergirding your efforts, and wonderful children. You truly have a bright future ahead of you. I leave you with my best wishes and prayers for success!

Many thanks,
Keefer Pollard, Principal

Library News

Hello School Community –

The school Library is now closed for the school year. Please return all books to the library. Overdue notices have been emailed to families. Please check your spam to see if a notice inadvertently landed there.

As well, in this newsletter you will find information regarding the [Greater Victoria Public Library Summer Program and Contests](#). This program is a great way to support reading with wonderful incentives to encourage participation.

At this time, I would like to thank all parents/guardians, students and staff for supporting literacy at St. Joseph's Elementary School. I look forward to introducing new books in the coming school year and hosting another Scholastic Book Fair.

To all, I wish everyone a happy and safe summer.

Summer 2024 Call for Student Gardeners

The Masithuthu Garden is our St Joseph's School and Parish social justice venture where potatoes are planted in the spring by students, cared for by parishioners, parent and student volunteers over the summer, and harvested in the fall by the Gr. 4s. Potatoes are donated to the Soup Kitchen, the Social Concerns Office of the SVdP, and to the student-run Foodbanks at both Camosun College and UVic.

There is a lot of growth over the summer. Besides potatoes, we have found there's a lot of *other* green stuff that grows in our Masithuthu Garden: you guessed it - weeds!

If you are in grade 4 and above and would like to spend an hour or two per week doing some weeding with us, we would certainly appreciate your help and enjoy your company.

Though it may not be glamorous work, it's outside in the fresh air and sunshine. You may learn something about gardening – and perhaps discover some of your own hidden talents too. You will also be contributing your time to practically and genuinely help others in our community who need it.

At the end of the summer (and providing you have volunteered at least 3 times with us), we will provide you with a **Masithuthu Crew** tshirt, and provide an **awesome** letter of reference – I promise! What a way for you to feel good about yourself, and even wow your parents and future employers!

Parents and caregivers, work provided in the Garden also counts towards next year's Parent Involvement Hours. (If you provide the time, we will even throw in a Masithuthu Crew t-shirt for you too! :)

If you are curious about what we do, check us out on the web:

Contact me, Farmer Jamie (aka Mr. Zwicker) via email at sjvmasithuthugarden.com or by text (250-391-1280). You won't be disappointed!
