Living,
CELEBRATING
and Proclaiming
OUR FAITH

Dear St. Joseph's School Families,

This week, we hold our community close in prayer and spirit as we reflect on both profound sorrow and enduring hope.

We are deeply saddened by the tragic events that took place during the Lapu Lapu celebrations in Vancouver this past weekend. The sudden loss of life has deeply affected many, including members of our community and school family. One of our dear staff members is mourning the heartbreaking loss of a friend who was among the victims. As our province marks today as a day of remembrance and mourning in solidarity with the Filipino community, we offer our prayers and heartfelt condolences to all who are grieving.

For families who feel called to offer additional support, we are including links to verified fundraising pages created to assist those most directly impacted. Your prayers, presence, and acts of charity offer great comfort in times such as these. [BC Kapwa Strong Fund] [Vancouver Festival Tragedy: Donate or Fundraise]

Bishop Gary will celebrate a memorial Mass this evening at St. Andrew's Cathedral at 7:30, with Fr. Dino Villadiego saying the homily.

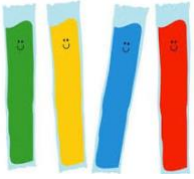

Even as we mourn, we draw strength from the faith that unites us. On May 1st, our school community gathered to celebrate the **Feast of St. Joseph the Worker**, our patron saint and a model of quiet strength, humility, and perseverance. St. Joseph reminds us that great holiness is often lived out in small, faithful acts—in caring for family, in responding to difficulty with courage, and in trusting God's presence even amidst uncertainty and sorrow.

As we move forward, may the example of St. Joseph inspire us to be a community marked by compassion, resilience, and hope. Let us continue to walk with and pray for those who are suffering, and hold fast to the light of Christ that shines even in the darkest times.

We have missed Mr. Palahicky this week, as he has been away for an Administrative Retreat with principals from across our province's Catholic Schools. We look forward to his return on Monday!

With prayers for peace and healing,

Elena Amos
Vice Principal

April 28, 2025

Dear People of God,

After consultation with the Diocesan Liturgical Commission, the Diocesan Health Care Committee, and the Council of Priests, I have determined that it is now time to reintroduce the distribution of the Precious Blood from the chalice during the Liturgy of the Eucharist to all the faithful. This change will come into effect on the Solemnity of the Body and Blood of Christ, June 22, 2025.

The General Instruction of the Roman Missal (GIRM) has a number of statements lauding the practice of the administration of both species (i.e., the Body and the Blood of Christ) in the Mass. For example:

80. Since the Eucharistic Celebration is the Paschal Banquet, it is desirable that in keeping with the Lord's command, his Body and Blood should be received as spiritual food by the faithful who are properly disposed.

281. Holy Communion has a fuller form as a sign when it is distributed under both kinds. For in this form the sign of the Eucharistic banquet is more clearly evident and clear expression is given to the divine will by which the new and eternal Covenant is ratified in the Blood of the Lord, as also the relationship between the Eucharistic banquet and the eschatological banquet in the Father's Kingdom (Eucharisticum Mysterium, May 25, 1967, no. 32)

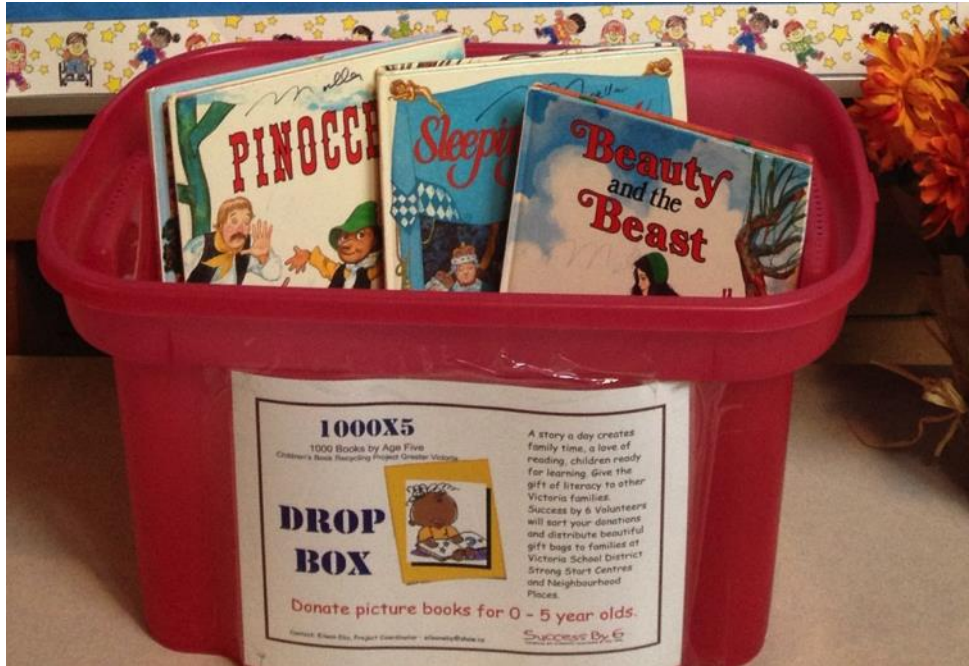

The liturgical principle laid out in GIRM # 160 of making a simple bow of the head before receiving the Body of Christ would apply when receiving the Blood of Christ.

GIRM # 286 then states that the communicant "*moves and stands facing the minister of the chalice. The minister says, The Blood of Christ, the communicant responds, Amen, and the minister hands over the chalice, which the communicant raises to his or her mouth. Each communicant drinks a little from the chalice, hands it back to the minister, and then withdraws; the minister wipes the rim of the chalice with the purificator.*" (emphasis mine).

It is important here to reiterate the above instruction of the Church that the posture for receiving the Blood of Christ is one of standing. This is done to avoid situations of spillage from the chalice. It is much safer for the minister who is standing to give the chalice to a communicant who is also standing; it also allows for easier flow within the liturgy.

Pastors / pastoral administrators / executive committees with their parishes are free to choose if and when they will offer Communion under both kinds at their Masses. Please note that on
